Bob & Helga Wallner

Ministry and Church Information

Rachel Circle and Naomi Circles are not meeting for the summer. Watch the newsletter and bulletins for start-up dates and times.

The Information and Communication Committee is in the process of upgrading the church's website. It will take a while and may go through several changes until their done, but we are excited for the end result! Thank-you for your patience during this process.

Sunday Food & Fellowship will be at "Tavern on the Hill" at noon on **Sunday, June 4th**. Hope to see you there!

Women of Holy Cross Thank -you to the Women of Holy Cross for your contributions to the Heart Basket which will be for bid at the **CHUM Rhubarb Festival** being held **June 24th**, please, plan to attend this wonderful event.

Property & Operations staff have been busy! You may have noticed there was a French drain dug on the South side of the church outside the Youth Room. This was done to help keep the rain water away from the building and the Youth Room from flooding.

We would like to say a special "**Thank-You**" to the **Property and Operations Team members**: Joe Adamczak, Gary Genovese, Mike Breidenbach, Shar Prudhomme and Steve Kaspszak for all their hard work on this project.
