This March, Holy Cross Lutheran Church will join food shelves, faith communities, businesses and other organizations across Minnesota in acting to end hunger. Approximately 552,000 Minnesotans experience food insecurity and 1 in 7 children in Minnesota struggle with hunger.

All monetary and food donations made to MN FoodShare from March 1st through March 31st will be matched. For monetary donations, you may write checks to Holy Cross and indicate "Food Shelf" in the memo line. There will also be envelopes located in the pews that may be used to make donations to MN FoodShare.

If you would prefer to make food donations, please bring nonperishable items and place them in the grocery cart located in the Narthex. A list of often needed/suggested items will be posted by the cart. During this campaign last year, Holy Cross donated \$1,250.00 to Second Harvest Food Bank and 63 pounds of food to CHUM. *We really are helping to make a difference.*

If you have any questions or would like more information, please contact Becky Anderson at 218-391-4576.
