

Festival of St. Lucia

WEDNESDAY DECEMBER 12, 6:30PM

According to Swedish legend, a ship carrying a maiden "clothed in white and crowned with light" appeared on the shore in Värmland during a great famine. The maiden, widely believed to be Lucia, distributed food and clothing to the needy, thus endearing herself to the people.

Our choir will lead us in singing carols as the legend is retold.

St. Lucia is chosen based on academic achievement, spiritual leadership, charity, kindness, and service to the church and others. Holy Cross' 2018 selection is Delaney Kreager.
